## RECENT PRICE RISE INDICATE INFLATION IS WELL UNDER WAY

An income of some 32 per cent in the average wage of living costs the start of the war in Europe is considerably above the increased cost of living, reveals the Bureau of Labor and Statistics report. But the surge of food prices, which have increased 10 per cent since last March, show that equilibrium process is gathering steam, and that the rise in living costs may well take some time before the government steps in with some stringent price control plan.

Actually living costs have increased so far about 7-12 per cent. But the shifting of priorities materials from consumer to defense industries is now beginning to assume serious proportions, and the day of large inflation is not far off if things are left to follow their natural course.

Artificial agencies, however, are seldom able to disturb very seriously the law of supply and demand. It is true that government control can set a ceiling on prices. This has been done in Germany, and to a lesser degree, in England. But inflation can go up in the form of shortages as well as increased prices. This is the condition which prevails throughout most of Europe. Many necessities simply cannot be bought for any price.

Undoubtedly labor has made great gains in the first half of this year. But it is doubtful if the increase in real wages will be as much as the nominal gains. When wages increase, living costs automatically increase, which is the signal for further wage boosts. Yet each gain made in wages is almost invariably offset by an increase in living costs.

The end, no one can foresee. But the lesson of World War I remains before us, and there seems no doubt that present conditions will follow this pattern fairly closely. There is no doubt, however, but that the people of the United States are going to do many things to prevent the government from having to resort to drastic measures during the current years.

If this country is to survive the crisis, there must be complete cooperation between the government, the industrial, the work force, and the consumer. The government must adopt a realistic policy towards industry and industry beyond any possible doubt that it considers the job of beating Hitler more important than anything else. Industry must be satisfied with reasonable profits, and labor must be willing to make industry halfway in wage disputes.

All this boils down to the fact that each individual must prepare to make sacrifices. The effort and time and money spent for defense purposes are going to be felt by everyone.

The big job is to destroy Nazism. The United States must never lose sight of the main issue.

National Bureau of Standards, Department of Commerce, has established a new laboratory in which to test sandbags for the Army.

The Weather Bureau, Department of Commerce, is now making four complete major weather broadcasts daily.

A number of industries have been started in Great Britain by refugees from Germany and other areas, the Department of Commerce says.

Living costs for industrial workers in Shanghai, China, are 100 per cent above a year ago, the Department of Commerce reported.

Passenger travel by all modes of transportation in the United States is currently at high levels the Department of Commerce says.

## Prob'ly Facts

By Dick LeFits

Well sir, there was home runer awhile back that was gonna get a bank by the name of Santa Claus. But on this writing, the sod has been broken for the building and no one seems to know anything about when it will start. I've a notion they must have given the wind some way or another that we wanted to float a little loan to them to put it off and see if we could wait, personally it doesn't worry me at times to wait but in some cases the bank gets in a powerful swell of the hasty wait a year or so on you.

Last Monday was a holiday as Farmers Day and all of the banks closed, why it was called Farmers Day I couldn't say unless the Bankers wanted to go out and look at what their mortgages covered.

There also was a few runners in the wind that the road between here and Pahokee was gonna be rebuilt but I suppose it was mostly wind as usual. For the "hole filers" (patties) has been taken over by the job and I suppose laid off until just before the arrival of another election. This road deserves to be named "Hole Filers' Road."

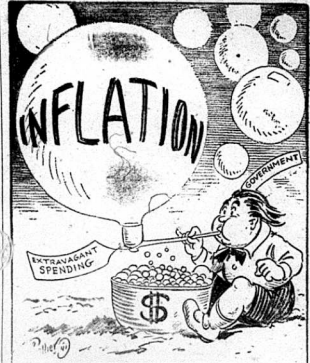

There is a long and full of holes that you can't see and you can't see it until you're driving over it. It is known among some circles of society as the "patties road" for every time a politician drive over it we know they are driving over it for no other reason than to bump up a few votes. I'm not the only one that belly aches over this road. But I believe I have one of as good excuse for following about as any anybody else has for I hafta drive over it.

Pop Lord has the only riding academy in the Glades. He has been busy putting the finishing touches to his new stables lately. Pop claims he doesn't ride the old "southern style," of holding the front and back of the saddle at the same time any more. He now uses the "modern" light style of riding with more light between your pistol and the seat of the saddle.

## TO INAUGURATE BETTER SERVICE

Clewiston, Fla.—Clarence R. Bittling, president United States Sugar Corporation, said today that the Atlantic Coast Line has agreed to supply new Pullman service direct to the heart of the Everglades. The schedule calls for daily sleeper service comprising an eight section buffet and lounge compartment combination Pullman operating between Jacksonville and Clewiston; the first south-bound train will leave Jacksonville at 10:30 p.m., November 2, arriving in Clewiston at 9:00 o'clock the next morning; the first north-bound train will leave Clewiston at 6:00 p.m., November 3, arriving in Jacksonville at 6:45 p.m., November 4.

In making the announcement Mr. Bittling stated that he hoped this would encourage more people to visit the Everglades and inspect the largest sugarcane house in the United States. Last year over 20,000 visitors registered, practically all of whom arrived by car or bus. The constant and substantial growth of the Lake region, the reconstruction of the Biddle-McKoy Air route, and the expansion and diversification program recently announced by the corporation, have all contributed to creating the demand which the new Pullman service will leave Clewiston to meet the increasing requests for better accommodations at Clewiston and substantial growth of the lake region.

Rev. and Mrs. W. H. Wilson and son, Harry, Jr., left this week for Gainesville where Rev. Wilson will continue his education at the University of Florida.

It is in order to reach my favorite spot.

I'm by a hand a good deal like I am about golf, I don't know what we need a little cash for Santa Claus. But on this writing, the sod has been broken for the building and no one seems to know anything about when it will start. I've a notion they must have given the wind some way or another that we wanted to float a little loan to them to put it off and see if we could wait, personally it doesn't worry me at times to wait but in some cases the bank gets in a powerful swell of the hasty wait a year or so on you.

## MOVIE STAR JOINS U.S. NAVY

Design Wayne Morris Sinks Wagon

Wayne Morris, recent star of "I Wanted Wings," became a member of Uncle Sam's Navy in May, 1941, when he was appointed to the rank of Ensign.

When asked what he thought of the United States Navy, Morris said, "I think every man who is considering joining a military service should look into the 'chance of a lifetime' which the Navy and Marine Corps offer to get into the big-pay field of the future—aviation. In the Navy you can attend the finest flight training schools in the world, and receive in-

struction from Navy pilots who introduced dive bombing, aircraft carriers and catapult take-offs to the rest of the world. Also, there are opportunities in Naval Aviation for men who do not want to fly. They can be trained as aviation machinists, metallurgists, photographers, observers, or they can receive instruction in many other trades. It's a great life in the Navy."

Ensign Wayne Morris is pictured here in his line of duty as a member of the Naval Aviation Cadet School Board at the Long Beach Naval Reserve Air Base.

## NEW SON

Mr. and Mrs. Herbert Marlowe, Jr., of South Bay announce the birth of a seven and one half pound son at the Sunshine hospital on October 12.

## RECRUITER IS GUEST

Chief Guy Hull and secretary, Edgar Gostin, of the United States Navy, were the guests of Mr. and Mrs. W. C. G. Allen, who is the publicity director for the Navy recruiting office in this vicinity, at the Rotary club luncheon in Belle Glade Friday.

## ELECT OFFICERS

The ninth grade class of the South Bay school organized for the year on Monday and elected officers. It was decided to hold meetings once a month. Officers elected were: John Henry Hawkins, president; Milford Williams, vice president; Marion Mutchler, secretary; Caralyst Staley, treasurer, and Zelma

## LEGAL NOTICES

Notice is hereby given under Chapter 2000, Laws of Florida, 1941, that the undersigned intend to register with the Circuit Court of Palm Beach County, Fla. the name, Belle Glade, Florida, of the business which we are doing business at Belle Glade, Florida. Charles Smith and Mary E. Smith. Filed Oct. 17, 1941. Nov. 7, 1941.

## CHAPEL PROGRAM

Miss Frances Clements, the grade house room teacher, put on the chapel program at the South Bay schools Friday. Betty Jean Wood recited a poem and the girls of the class sang a chorus. The chief feature of the program was a historical play on the discovery of America.

## SOUTH BAY PERSONALS

Mrs. Ray Smith and daughter, Sandra Lee, of Miami, visited her parents, Mr. and Mrs. Wm. Cobb, this week.

Frankie Willis, who has been a patient at Jackson Memorial hospital in Miami, is sufficiently recovered to return home. She is the daughter of Mr. and Mrs. F. B. Willis.

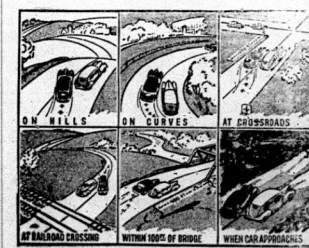

Mr. and Mrs. Earl Dillow and family have returned from a visit to his sister, Mrs. C. E. Forbes, and family. Mr. and Mrs. W. H. Rawle of Charleston, S. C., were also guests of the Forbes at the same time at their home in Ocala.

Mr. and Mrs. A. Gattling have returned here from their summer camp on Fishing Creek and are occupying one of the C. E. Byrd cottages.

## NEPHEW DIES

Mrs. Alex A. Hendry and children of South Bay were called to Waukegan late week by the death of Lemar Duncan, eleven months old son of Mr. and Mrs. Z. T. Duncan, at the Tampa hospital after a lingering illness.

## Safety! Do Not Pass, But Carry

Above Picture Illustrates Violations of Safe Driving Rules Causing the Largest Number of Preventable Accidents.

# SCHOOL NEWS

FROM BELLE GLADE'S NEW HIGH SCHOOL

**EDITOR-IN-CHIEF** Jimmy Williams  
**ASSISTANT EDITOR** Glenna Betzner  
**SOCIAL EDITOR** To Be Appointed  
**Acting Social Editor** Glenna Betzner  
**FEATURE EDITOR** Mary Landreth  
**CLUB REPORTER** Mary Louise Van Natta  
**SPORTS EDITOR** Billy Cromatic  
**ARTIST AND CARTOONIST** Jimmy Wadell  
**CLASS REPORTERS** Ninth Grade, Frances Mulbach  
 Eighth Grade, Louise Friphehn  
 Seventh Grade, Sonny Smith

The above mentioned group has only been organized and appointed as a tentative staff. As the year progresses new members will be appointed to cover the various news matters of interest.

## PAN AMERICAN CLUB

By Roscoe Harris

The first monthly meeting of the Pan American Club was held Oct. 8, in the school auditorium. Our speaker, Mrs. Kenneth Lutz, was introduced by the president, Elizabeth Cunningham. She spoke to us on the way the people dress, habits and food as observed in Mexico on her summer trip. She also brought to the meeting Toluca, a doll woven out of a kind of bamboo. This doll is named after the capital of Mexico.

Mr. and Mrs. Thomas Brogden were left as guests. We sang Spanish songs and were served refreshments at the close with an attendance of forty. Programs made from various colors of art paper in the shape of Mexican pottery were distributed by the program committee, Lee, Ralph Bishop, B. Q. Wad-composition, "Help the Birds."

## BIRD CONSERVATION

By Philip Chapman

The eighth grade was requested to write compositions on the conservation of bird life by their teacher, Miss Carlson, after the class had read and discussed a number of poems and stories about birds in their literature. The class was allowed to vote on the best composition after all had had read about. The election was that Philip Clayton's, tee, Ralph Bishop, B. Q. Wad-composition, "Help the Birds."

Make defense against heat and friction your first thought when you buy motor oil. Buy Sinclair Opaline. Opaline contains no "dith Columnist" wax and petroleum jelly—non-lubricating substances that thin out in heat and cut down on oil's lubricating ability. Wax and petroleum jelly are removed from Opaline by an extra refining process. Play safe. Use Sinclair Opaline Motor Oil. It lasts so long it saves you money.

**A. E. Kirchman**  
 Agent

gratulated for their excellent program. It meant a lot of work, a lot of planning and a lot of practice. We are looking forward to next Friday, when Mrs. Hardy's sophomores will have charge of the assembly program.

## SPORTS

Belle Glade Hi tackles Delray Seahawks.

Belle Glade Hi's football team really proved last Friday that there is a team with plenty of spirit and pep.

In the first half Delray had made one touchdown and scored the extra point which left the score in the first half 7-0. Then the battle was on. In the second and final half our boys really did some marvelous playing. Herb Priest made the kick off which was really a beautiful kick.

During the last half our boys made a number of passes, complete passes. Tom Lloyd seemed to be doing his share at left tackle, snagging every Delray Seahawks that came within range. Peckens Wadward proved to be the hero, making our first touchdown, leaving the score 6-7.

With two seconds yet to play, W. L. Cunningham received a beautiful pass and had all points of making another touchdown when the whistle blew that marked the end of the game. The boys really did some marvelous playing. All the Belle Glade citizens did their share of yelling.

All the boys played a brilliant game, not only in football but in citizenship also. We all have a cause to be very proud of our boys and all turn out for our next game which is to be here, when again our boys will clinch with the Delray Seahawks.

To Mr. LeFell, the sports editor was not sleeping, not even snoring. He was flinching. But thanks for the write-up just the same.

## UNDER THE PALM LEAF

By Mary Landreth

There has been considerable talk here in school about the formation of a student council. In view of this I am going to list a few points on the formation and the advantages of a student council.

A student council, as we all know, is formed by the students for the students. It is made up of representatives of the Junior and Senior High school classes. Its purpose is to develop within the student body a foundation for the principles of democracy.

The council is formed by two members of each class of Junior and Senior High school. Two members of the faculty and the principal. The purpose of the organization shall be:

- 1.—To unite all student organizations under one control.
- 2.—To aid in the internal administration of the school.
- 3.—To foster sentiment of law and order.
- 4.—To promote the general activities of the school.
- 5.—To develop within the student a growing appreciation of citizenship in a democracy.
- 6.—To promote in all ways the best interests and ideals of the school.

Membership in this association is open to all students and members of the faculty. But the council itself is made up of that which I have before mentioned.

The council is governed by a president, vice president, secretary and treasurer. The president, who presides over the council, is elected by the council at the last of each year for the following school term.

The powers of the council shall be:

- 1.—To make and enforce laws for the betterment of all school activities.
- 2.—To grant charters to clubs and organizations.
- 3.—To supervise and have final decision in all matters concerning the extra-curricular activities. It is further provided that any decision of the council is subject to the veto of the faculty.
- 4.—To investigate and report on all matters referred to it by the faculty or the principal.
- 5.—To have charge of all financial matters pertaining to extra-curricular activities except the class funds.

I think that we are going to form a student council here in school. It gives the student a feeling of responsibility and one of pride in knowing that he has a part in governing of his fellow students.

This has been true of all the great many schools until it is becoming a national school high extra-curricular activity. By extra-curricular we mean a non-compulsory activity originating with the students and in which the students rather than teachers are dominating activities.

Our school is only what we make it. Therefore let us enter into this activity with vim, vigor and vitality.

## WHO'S NEW IN THE TENTH GRADE

Edwina Parker is fourteen years of age. She came from Ft. Lauderdale where she went to the Ft. Lauderdale Central High school. Her father was transferred here to manage the A. and P. store and she intends to remain for this school year at least.

Mary Catharine Knight came from Jacksonville where she went to the John Gorrie Jr. High school. She is fourteen years old and her worst habit is talking in school in her opinion. Her father came down here for agricultural reasons and intends to stay through the remainder of the school year if not longer.

The P. T. A. entertained the faculty with a social get-together around in circles Saturday night, October 13.

Pumpkin pie and coffee were enjoyed by all.

Mr. Anderson and Miss Daugherty were really going around in circles Saturday night. We didn't know our teacher could square dance, too.

Mrs. Camp surely does like to sing.

Lois seems to be losing out with Don Dew. What is the Blonzie in his life now?

Gloria really did some yelling and jumping when Peteone made that touchdown. We didn't know that they were still going to that.

Wonder why Shirley likes to go to the show by herself? Little Dorothy Betzner must be growing up. Is there a boy in her life? Ask Jimmy McCreedy.

Charles Lane really likes to hang around women teachers. Is it the teacher or just for the grades?

Wonder why Hatcher is failing his lessons? Is there a "woman" in his life? Why is W. L. always late for English class? Does he have to make up Edson every morning?

Charles Lane really likes to hang around women teachers. Is it the teacher or just for the grades?

Wonder why Hatcher is failing his lessons? Is there a "woman" in his life? Why is W. L. always late for English class? Does he have to make up Edson every morning?

Charles Lane really likes to hang around women teachers. Is it the teacher or just for the grades?

Williams, Carolyn Hamilton, Helen Freedlund, Jean Hooker, Carolyn Freedlund, Mary Eleanor, Kiddle, Marlin Parker, Billie Watson, Barbara Will and the leader, Elizabeth Brogger.

The Boy Scouts of Troop 25 held a meeting at the Community Methodist church on Monday, October 13. It was announced that money and materials with which to build the hut had been donated.

The boys are unable to build the hut by themselves and they would like to have some carpenters help them. Anyone who would like to help them get in touch with the scoutmaster, Mr. Frederick Boyd.

Bobby Mathews is ill with the red measles. We hope he will be back at school soon.

Johnny Fessenden, who has been at home with the measles is back in school again.

On Friday, October 10, Curtis Williams, our class president, expressed the wish to resign from his position. A vote was taken and his resignation was accepted by the class. Carl Williams was

## "NAVY INTELLIGENCE"

Is it necessary to be a high school graduate in order to enlist in the Navy?

No. Navy enlistees need not be high school graduates. All applicants will be given an examination consisting of approximately 100 questions. A grade of 50 per cent or better on this examination is sufficiently high to pass the Navy educational standards. However, a high school education will be valuable to the aviator during the Navy enlistment.

What does the term "Navy or Naval Reserve" mean?

All new recruits are sent to one of the Navy Training Stations and after a training period they may take examinations for entrance into Navy Trade Schools. Those recruits who pass their examinations are sent to Navy Trade Schools. While attending their schools, they will receive regular Navy pay and free schooling valued at \$1500.

What is the greatest possible pay I can expect to earn during my first term of enlistment?

It is possible to earn as much as

\$125 a month by the end of your first term of enlistment, and remember that your clothing, food, medical and dental care are all supplied free.

After I have served my first term of enlistment, what benefits do I get for re-enlistment?

Depending on your rate and length of service, you can get a cash bonus up to \$100 plus 10 days leave with pay.

What does the term "ash can" mean in the Navy?

An "ash can" is a slang term applied to the death charge used to punish a sailor. The average ash can is a container filled with approximately 300 pounds of TNT, and can be dropped overboard from a ship and so controlled as to explode at depths ranging from 20 to 300 feet. These are generally carried by the fast ships in the fleet, as a boat dropping a charge regulated to explode at 70 feet depth must move at a speed of 25 knots or more. These "ash cans" are other railroads of the stars or shot from "gunners" each house up to \$100 plus 10 days leave with pay.

### STORK SHOWER

Mrs. Louis Solomonte, Mrs. Grady Edwards and Mrs. W. M. Miles entertained at the home of Mrs. Solomonte Monday night with a stork shower honoring Mrs. Mark Moore.

Guest prizes were awarded to Mrs. William Weeks, Mrs. Homer Webster, Mrs. Lawrence Bessant and Mrs. George W. Crews. After the gifts were displayed the hostesses served a refreshment course.

Others included in the guest list were Mrs. Paul Davidson,

Mrs. W. L. Cunningham, Mrs. O. K. Jones, Mrs. Otto Hayes, Mrs. Ernest McDonald, Mrs. Clive Boone, Mrs. James Cook, Mrs. Ralph Hampton, Mrs. Monroe Sharfer, Mrs. Dave P. Farmer, Mrs. Clyde Hollis, Mrs. Milton Bracken, Mrs. James S. H. Egan, Mrs. Capt. A. B. Jackie Creech, Mrs. James O. Darden, Mrs. Lloyd Brown, Mrs. G. L. Evans, Mrs. Francis Harris, Mrs. Sara Mock, Mrs. Allen Greer, Mrs. Paul Stein, Mrs. L. J. H. Harris, Mrs. J. J. Coven, Mrs. D. P. Crosby, Mrs. Everett and Mrs. H. J. Armstrong.

### Eugene S. Matthews Wishes To Succeed Self

Tallahassee, Fla., Oct. 14.—Eugene S. Matthews, senior member of the Florida Railroad Commission, announced today that he will be a candidate for re-election, running in Group One on the May primary ballot.

Mr. Matthews is a member of the Advisory Committee of the Transportation and Communications Division of the Florida State Council for Defense, a member of the Methodist church; is an Elk, an honorary member of the Florida Sheriff's Association, an honorary member of the Young Democratic Clubs of Florida and a member of the Tallahassee Junior Chamber of Commerce.

Before becoming a member of the Railroad Commission Matthews was a member of the Legislature for several terms and was speaker of the House at one session, 1907. He was prominent in the movement to end the convict lease system and the only convict who was sent to Florida law, including the bill providing for the establishment of the University of Florida and the Florida State College for Women.

Road Department legislation that has resulted in the building of the present state-wide network of highways. He was a member of the House committee that handled the important "Traces of Legislation" in the Florida National Guard. He was the place of Senior ranking Major and upon his resignation was succeeded by Capt. A. B. Jackie Creech, Mrs. James O. Darden, Mrs. Lloyd Brown, Mrs. G. L. Evans, Mrs. Francis Harris, Mrs. Sara Mock, Mrs. Allen Greer, Mrs. Paul Stein, Mrs. L. J. H. Harris, Mrs. J. J. Coven, Mrs. D. P. Crosby, Mrs. Everett and Mrs. H. J. Armstrong.

### Record Crowds Hail New Chevrolet

DETROIT, Oct. 2.—Record crowds that thronged the General Motors Building throughout the past week provided the answer to one question before the auto industry... public interest in its new models. In one of the most unique auto displays ever staged, Chevrolet presented its 1942 models, including the new high standards in the lowest-price field. Consequently, the nation ever unveiled the new Chevrolets, and early wires received from William E. Butler, general sales manager, indicated a record response from motorists in all sections of the country. As in past years, no 1942 Chevrolet appeared on street or highway prior to announcement day.

of interest—Bok Tower, Cypress Gardens, Sandland Tropical Park, or the Old Plantation and Turpentine Still.

Charming hosts, the Clarks gave visiting attraction owners an opportunity to inspect beautiful and impressive Oriental Gardens, developed on the south shore of the majestic St. Johns, and which ranks as one of the outstanding show places and a MUST attraction for only for tourists but for home folks as well.

He was appointed to membership on the Florida Council on Education by Governor Carey, H. J. in February 1934, to fill the vacancy caused by the death of Honorable Douglas Campbell of Chaplay and has been successively elected since that time. During his service on the Commission many millions of dollars have been saved to the citizens of the State through adjustments and reductions in transportation, telephone and toll bridge rates.

### Too Late To Classify

By RUSSELL KAY

I doubt if any organization in the state does more to break down sectionalism and create a spirit of friendly cooperation than the Florida Publicity and Public Relations Association.

This co-ordinating group, made up of men and women who devote their time to attracting and entertaining tourists or who represent firms or organizations interested in the welfare and advancement of the state, has taken its place as a dominant force in Florida's development.

At the annual meeting of the association, held in Jacksonville last weekend, delegates representing every interest and every section talked, planned, not of their own interests but of Florida as a whole.

Welcoming the group, Mayor John T. Abov, Jr. paid tribute to Miami, Tampa, Orlando, Pensacola and other points and stated that it was the sincere wish of the "Gatorade City" to work hand in hand with all sections of the state to the end that all would grow and prosper.

Delegates representing such outstanding attractions as Marine Studios, McKee Jungle Gardens, Wadsworth Springs, Oriental Gardens, Silver Springs, and others, exchanged ideas, collaborated on their promotion plans, and pledged themselves to work together in publicizing all sections and all attractions.

Bill Dugger, of Dugger Gardens, near Tampa, announced that he was planning the construction of an attractive lodge on his property where an information desk would be maintained and visitors would find literature, translations and displays describing every worthwhile attraction in Florida.

He pointed out that people come to Florida to be entertained and that the more beauty spots they visited and the more pleasure they experienced while here the sooner they would return and bring others with them. Mr. and Mrs. George Clark, Jr., who operate General Gardens at Jacksonville, entertained the group at a cocktail party and explained how they always urge visitors to be sure and see all of Florida, and visit the inner Edge Coast where they will find such unique attractions as the rare Bird Farm, Monkey Island, the North Miami Zoo, Parrot Jungle and the like.

In the past these attractive spots, pictures and transplants on every hand urged one to be sure and see this or that point

Mayor Kirchman has requested that all local citizens make every possible effort to attend the game today to encourage the boys in their first appearance on the home grounds and an overflow crowd is expected to be on hand.

### NEW JOB

R. O. Plank, who has been operating a small machine shop at Lake Harbor, is now foreman of the new tractor department of the Hendry County Motor Company at Clewiston.

### WHY ON EARTH DO THEY DO IT?

Why catch a catch-up with the leisurely value of their property?

A lot of people are of the value of their property by buying insurance. But, if you don't, you're taking a big risk. You might lose it all in a flash. So, get it right now. It's the only way to be sure.

LA BYER RESIGNS  
(Continued from page one)  
Monday night to go over and make final form a proposed new ordinance. Mr. P. F. deMoya stated that there should be a few minor changes made, which would be to the benefit of the home owners.

### THINGS THEY LEARNED

(Continued from page one)  
take care of most nematode infestation. Ares do not appear to remain infested indefinitely. Probably parasites of the nematodes destroy them when the become too numerous.

We can employ cultural practices which prevent heavy damage from nematodes. Flooding of the fields during the summer

months prevent their multiplication at that time. Flooding for at least two months is advisable. Only resistant crops should be planted on infested soil during warm weather. These crops include corn, grain sorghum, iron and Brahman cowpeas and pasture grasses. Following flooding and the growth of one of these crops it should be safe to return to the planting of beans or peas.
